Tips for Motorists

Stay Alert

A bicycle is a legal vehicle with the same rights and responsibilities as a motor vehicle, including the right to ride in a traffic lane.

Give Some Room

Pass a bicyclist only when it is safe to do so; give at least 5 feet of space when passing.

Take a Look

Look for cyclists before turning or opening your car door.

Lay off the Horn

Don't honk at bicyclists unless they are in immediate danger.

Pay Attention

Texting while driving puts everyone in danger!

Yield to Pedestrians

Pedestrians have the right of way at ALL intersections, regardless if there is a marked crosswalk.
