of adults educated through presentations, materials, & discussions

## C is for Communities and Partners

“Hey, just want you to know how awesome your group is Bike Walk Montana!! I have you and your team to praise for helping Malta Trails find funding and help complete two awesome trails and the works of developing a multi-use path along 191 south in 5 years!! Without you giving me heads-up on projects and funding... I could not have got this stuff done!!”  
~ Laura Pankratz
